

Railbike Crew Member:

Colorado Railbike Adventures is a locally owned and operated railbike excursion and event business located in historic Erie Colorado. Railbiking is a fun, outdoor activity where guests ride pedal powered railcars along the railroad tracks for an outdoor adventure through open spaces. Our mission is to bring people together, create connections, enjoy the outdoors and be reminded of our history in a fun and one-of-a-kind experience for all ages.

Crew members bring our mission to life by assisting guests through their entire visit. From checking guests in, to enjoying the route with them, crew members are part of every detail, including the maintenance and cleaning required after guests leave. Sure to be one of the most fun jobs around, check out the details below to see if being a railbike crew member is for you!

What you will be doing:

- Leading groups of guests on a 2, 4, or 8 mile railbike tour several times a day
- Helping check in/out guests
- Adjusting bikes and loading/unloading guests
- Providing safety instructions and directions to large groups of guests
- Cleaning and maintaining bikes several times a day
- Maintaining grounds around the station and along the railroad tracks
- Helping guests safely cross traffic while on tours (training provided and certificate mandatory)
- Turning railbikes around at the turnaround locations
- Merchandise sales
- Entertaining guests with fun and interactive games and information
- Cleaning station buildings, including bathrooms

What we expect of you:

- Our crew will be friendly hosts to many guests of all ages throughout the day
- Our crew is able to maneuver 300lb rail equipment and individually lift a minimum of 50lbs
- Our crew loves the outdoors and exercise rain or shine
- Our crew will memorize fun local facts/history and share with guests on tours
- Our crew will be responsible, punctual, and hardworking

Requirements for hire:

- Age 15+
- Loves the outdoors
- People oriented

Preferred Qualifications

- CPR or willingness to be trained
- Tour/Excursion experience
- Basic bike mechanic/knowledge

Schedule

- May-December
- 4-12hr shifts
- Weekday and Weekend availability
- Holidays

Pay

- Starting at \$15 hr
- Advancement available with increased responsibilities

***At Colorado Railbike Adventures, we believe that every individual deserves equal consideration for employment opportunities, regardless of their race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or any other protected status. As an employer, we pledge to:

Provide Fair and Unbiased Hiring Processes: We evaluate candidates based on their qualifications, skills, and experience without regard to any discriminatory factors. Our hiring decisions are guided by merit and the ability to contribute to our team.

Create an Inclusive Environment: We foster an environment where everyone feels welcome, respected, and valued. Discrimination, harassment, and bias have no place in our workplace.

Accommodate Individuals with Disabilities: We make reasonable accommodations for applicants and employees with disabilities to ensure equal access to employment opportunities. If you require an accommodation during the application process, please let us know.

We invite all qualified individuals to explore career opportunities with us. Join our railbike adventures and be part of a team that celebrates differences and embraces the unique contributions of each person.
